

Using your desktop computer, follow the directions below:

Log into Online Banking then:

- 1) Select Messages and Alerts from the left hand side
- 2) Select Manage Alerts
- 3) Add a New Alert by following the set-up prompts:

The screenshot shows the 'Alerts' management page in the Kootenay Savings online banking interface. On the left is a navigation menu with categories: My Accounts, Payments, Transfers, Account Services, Messages and Alerts (highlighted with a red circle '1'), Profile and Preferences, Security Login Features, and eDocuments. Under 'Messages and Alerts', 'Manage Alerts' is highlighted with a red circle '2'. The main content area is titled 'Alerts' and includes a link for 'Add Contacts'. It states: 'You have not setup any Alerts. Get started with Alerts today with a few simple steps:' followed by a list: 'Select an alert below', 'Select where you'd like to receive them by email or mobile phone', and 'Personalize the alerts you'd like to receive'. Below this is the 'Your Active Alerts:' section, which says 'You currently do not have any active alerts. Please choose an alert in the list below.' The 'Add a New Alert' section (highlighted with a red circle '3') features a dropdown menu set to 'All Alerts' and an 'UPDATE VIEW' button. The 'Security Alerts' section lists: 'New Payee Added', 'Personal Access Code (PAC) Changed', and 'Online Banking Account Locked Out - Incorrect response to Security Question'. The 'Balance and Activity Alerts' section lists: 'Interac e-Transfer® recipient added'.
