

Please follow these steps to enable 'Gesture Navigation' to resolve the blocked 'capture cheque image' button:

Google Pixel Device:

1. Go into phone settings
2. Scroll down page, select 'System'
3. Select 'Gestures'
4. Select 'System Navigation'
5. Enable 'Gesture Navigation'

Samsung Device:

1. Go into phone settings
2. Scroll down page, select 'Advanced features'
3. Select 'Navigation Bar'
4. Select 'Full Screen Gestures'

These steps remove the home button so the Deposit Anywhere image capture button is not blocked.

Gesture Navigation Tips:

To return to the home screen, swipe up from the bottom of the screen.

To go back, drag from the side of the screen to pull out the back arrow icon and release.
