- f) the Depositor agrees, and shall ensure that each Authorized User agrees, to not link, or add, to the PFM Service an External Account, asset, or liability that is not owned by the Depositor or Authorized User;
- g) the Financial Institution reserves the right to limit the number of External Accounts, assets, and/or liabilities that can be linked or added to the PFM Service;
- h) the Depositor agrees, and shall ensure that each Authorized User agrees, that the PFM Service may, from time to time, access the External Account to ensure that the personal financial information on file is current, and to update the personal information on file if it is not, using information retrieved from the External Account. Such access will be at the discretion of the PFM Service provider and will typically occur when the Depositor or an Authorized User accesses Direct Services, but may be more or less frequent; and
- i) the Depositor acknowledges and agrees that any information provided by the Depositor or an Authorized User about an asset or liability that is not under an External Account or the Account, is provided at the sole discretion of the Depositor or Authorized User. Further, the Depositor agrees, and shall ensure that each Authorized User agrees, that it is the Depositor's sole responsibility to keep such information current.

3.10 REMOTE DEPOSITS – If the Financial Institution, through Direct Services, makes the Remote Deposit Service available and the Depositor uses the Remote Deposit Service, the Depositor acknowledges and agrees that:

- a) solely for the Remote Deposit Service, the Financial Institution appoints the Depositor as its agent, to act on behalf of the Financial Institution in the creation and transmission of an Official Image to the Financial Institution, and any other related duties that may be required by the Financial Institution, all in accordance with the Rules and applicable legislation governing Instruments. In this context, transmission to and receipt by the Financial Institution of the Official Image will have the same effect as if the Instrument was delivered to a branch of the Financial Institution for negotiation and clearing. The Depositor acknowledges and agrees that this role as agent cannot be further delegated by the Depositor except to an Authorized User appointed in accordance with the Account Documentation. Further, the Depositor acknowledges and agrees that the Depositor shall be personally responsible and liable for:
 - i) compliance with this Agreement,
 - ii) maintaining adequate security over any Access Terminal used, the location of use of the Access Terminal, and any passwords, so as to prevent use by others or interception of data transmitted,
 - iii) ensuring that all Official Images created and transmitted are of good quality and fully and accurately capture all material details of the Eligible Bill,
 - iv) maintaining adequate safeguards and procedures for the preservation of originals of all Eligible Bills transmitted as Official Images, and
 - v) verifying that deposits expected to be made to the Account reconcile with dates and amounts applicable to transmissions made using the Remote Deposit Service and for providing immediate notice to the Financial Institution of any errors, omissions, irregularities, or concerns about suspicions of fraudulent Instruments or compromise of the security applicable to the use of the Remote Deposit Service;
- b) the Financial Institution may, upon receipt of what reasonably appears to qualify as an Official Image, treat such as an Official Image and, as if it were an original of an Instrument received at a branch of the Financial Institution, subject to this Agreement and any policies of the Financial Institution governing Instruments;

ACCOUNT AGREEMENT TERMS AND CONDITIONS (CONTINUED)

- c) the creation of an Official Image will be done using a method authorized by the Financial Institution, in its sole discretion, from time to time. Further, the Depositor agrees to take all proper and necessary precautions to prevent any other person, except an Authorized User appointed in accordance with the Account Documentation, from purporting to create or transmit an Official Image to the credit of the Depositor's Account;
- d) nothing in this Agreement obliges the Financial Institution to accept for deposit any item whether it is or purports to be an Official Image. The Depositor shall not purport to create or transmit an Official Image of any item that does not qualify as an Eligible Bill or any item that is post-dated, stale-dated, received by the Depositor from anyone other than the drawer of that item, or that is in any way altered. If the Depositor has any suspicions or concerns about the authenticity, validity, negotiability, or chain of title to any item purporting to be an Eligible Bill, then the Depositor shall not seek to use the Remote Deposit Service for negotiation or collection of that item, but will instead bring the original of that item to the counter of the branch of Account, identify the specific concerns to the Financial Institution, and fully disclose all material facts known by the Depositor relating to that item and fully cooperate with any inquiry or investigation of the concerns;
- e) under the Remote Deposit Service, Eligible Bills are restricted to those Instruments in Canadian dollars or United States dollars, drawn on a financial institution domiciled in Canada or the United States, as and if applicable, in the sole discretion of the Financial Institution from time to time. The Depositor shall not seek to use the Remote Deposit Service to deposit any Instrument into an Account different than the currency denominated on the Instrument. Canadian dollar Instruments shall only be deposited to a Canadian dollar Account. United States dollar Instruments shall only be deposited to a United States dollar Account;
- f) Official Images received through the Remote Deposit Service are subject to number and dollar limits that may change from time to time without prior notice to the Depositor;
- g) any Transaction made on any day or at any time during which the Financial Institution is not open for business, may be credited to the Account on the next business day of the Financial Institution;
- h) once an Official Image of an Eligible Bill has been transmitted to the Financial Institution through the Remote Deposit Service, no further Official Images of that Eligible Bill will be created or transmitted through the Remote Deposit Service (or any other similar service) unless the Depositor is requested to do so by the Financial Institution in writing. Further, the Depositor agrees to make no further use of the original of an imaged Eligible Bill, and shall safely retain possession of the original of the Eligible Bill without further negotiation, transfer, or delivery to any other person or holder. In addition to all obligations and responsibilities either set forth in this Agreement or elsewhere, the Depositor agrees to indemnify and hold the Financial Institution and its service providers and Central 1 and all of their connected parties, including, without limitation, their respective agents, directors, officers, employees, affiliates, and licensees (collectively, the "Indemnified Parties") harmless from and against any and all liabilities and costs, including, without limitation, reasonable legal fees and expenses incurred by the Indemnified Parties in connection with any claim or demand arising out of or connected to the Depositor's use of the Remote Deposit Service or duplicate negotiation of items that were at any time presented as Official Images of Eligible Bills. The Depositor must assist and cooperate as fully as reasonably required by the Indemnified Parties in the defence of any such claim or demand. The disclaimers, liability exclusions, liability limitations, and indemnity provisions in this Agreement survive indefinitely after the termination of this Agreement and apply to the extent permitted by law. Without limiting the foregoing, the Depositor will indemnify and save the Indemnified Parties harmless from and against all liability, costs, loss, expenses, and damages, including direct, indirect, and consequential incurred by the Indemnified Parties as a result of any breach of this Agreement, or any claims arising from or relating to misuse of Official Images or items purporting to be Official Images, or negotiation of Eligible Bills where an Official Image has also been transmitted for collection;
- i) on transmission of an Official Image of an Eligible Bill to the Financial Institution, the Depositor is responsible for immediately marking the face of the Eligible Bill with a blatant notation or mark that prevents renegotiation of the Eligible Bill and indicates that the Eligible Bill has been imaged and transmitted, taking care not to obliterate any material particulars of that Eligible Bill. (For example: This can be done by writing "void" or "paid" or placing a diagonal stroke across the face of the item with a pencil, pen, or brightly colored highlighter.) For a period of 120 days after transmission of the Official Image to the Financial Institution, or such shorter period as stipulated by the Financial Institution in writing, the Depositor shall retain and produce to the Financial Institution on written request the original of all imaged Eligible Bills. If the Depositor receives a written request to retain or produce, the Depositor will comply with the written request, and shall, if requested, produce, by delivering to the Financial Institution, the original of all specified Eligible Bills within 5 business days of such request. If the Depositor fails to comply with the written request made pursuant to this provision, then the Financial Institution can place a hold on or reverse any credit made to the Account in relation to those specified Eligible Bills, even if such creates an overdraft on the Account. If no written request is received within that time, then 120 calendar days after an Official Image has been transmitted to the Financial Institution through the Remote Deposit Service or such shorter period as stipulated by the Financial Institution in writing, and provided that the Depositor has verified a credit to the Account that reconciles to the Official Image transmitted, the Depositor agrees to immediately proceed with destruction of the original of the Eligible Bill. Destruction methods include shredding, pulping, burning, or any other means that ensures that the original Instrument cannot be reused;
- j) the Depositor is responsible for any and all costs associated with obtaining a replacement Instrument in the event that the Financial Institution requests that the Depositor re-transmit an Official Image in accordance with h) above, and the original Instrument was destroyed in accordance with i) above or otherwise lost;
- k) in the Financial Institution's sole discretion, electronic notices for purposes related to the Remote Deposit Service may be generated and sent to the Depositor at the Notice Contact Information after the Depositor uses the Remote Deposit Service to transmit an Official Image, including to advise the Depositor of the receipt by the Financial Institution of an Official Image. To receive such electronic notices, the Depositor must provide the Notice Contact Information required by the Financial Institution;
- l) an electronic notice, if any, sent in connection with the Remote Deposit Service is for information purposes only and is no guarantee that the Official Image will be accepted by the Financial Institution or that the Account will be credited; and
- m) the Financial Institution will not be liable for any cost, expense, loss, damage, or inconvenience of any nature or kind whatsoever arising as a result of use of the Remote Deposit Service, including, but not limited to, a delay in processing a Transaction or the Financial Institution requiring the Depositor to obtain another Instrument.
- 3.11 ONLINE PAYMENT** – If the Financial Institution, through Direct Services, makes the Online Payment Service available and the Depositor uses the Online Payment Service, the Depositor acknowledges and agrees that:
- a) the Online Payment Service is only available in Canadian dollars from Participating Merchants;
- b) Transactions for the Online Payment Service must be initiated by the Depositor through the appropriate online payment option available on the website of a Participating Merchant;
- c) as soon as the Depositor authorizes a Transaction through the Online Payment Service, and provided that there are available funds or credit, the amount of the Transaction will be withdrawn from the Account or a hold will be placed in the amount of the Transaction. The Financial Institution will hold the Transaction amount until the Participating Merchant successfully claims the Transaction or 30 minutes have elapsed, whichever comes first. The Financial Institution has no obligation to and will not pay interest on the Transaction amount. To the extent permitted at law, the Financial Institution is deemed to have a security interest in the Transaction amount from the time the Account is held until the Participating Merchant successfully claims the Transaction or the hold is removed;
- d) Transactions sent and received through the Online Payment Service are subject to number and dollar limits that may change from time to time without prior notice to the Depositor;
- e) the Financial Institution will not be responsible or liable for any losses or damages incurred as a result of funds held and/or limits set by the Financial Institution, Acxsys Corporation, a Participating Merchant, or a Participating Financial Institution;
- f) the Financial Institution, the Participating Financial Institution, and Central 1 are entitled to pay the Transaction amount to anyone who claims to be the Participating Merchant and provides the payment authorization details within 30 minutes of the Transaction being authorized by the Depositor;
- g) the Financial Institution will not be liable for losses or damages incurred as a result of a person other than the intended Participating Merchant receiving the Transaction amount;
- h) if the Participating Merchant cancels, declines, or fails to claim a Transaction that the Depositor authorized, the Transaction amount will be reinstated after 30 minutes have elapsed since the Transaction was authorized. However, the Financial Institution cannot guarantee the date or time that the hold on the Transaction amount will be removed;
- i) the Financial Institution, Central 1, or Acxsys Corporation may cancel a Transaction once it is authorized, but before payment authorization details are sent to the Participating Merchant, if there is reason to believe that a mistake has occurred or that the Transaction is a product of unlawful or fraudulent activity;
- j) once payment authorization details have been sent to the Participating Merchant, a Transaction cannot be cancelled. Payment authorization details are sent immediately after a Transaction is authorized by the Depositor;
- k) all disputes, including requests for refunds, will be handled directly between the Depositor and the Participating Merchant without the participation of the Financial Institution or any other party. A refund, if any, may be received through Direct Services and Central 1 for credit to the Account, or through such other method the Participating Merchant deems appropriate;
- l) the Financial Institution may refuse, in its sole discretion, to provide the Online Payment Service for the Depositor;

ACCOUNT AGREEMENT TERMS AND CONDITIONS (CONTINUED)

- m) in the Financial Institution's sole discretion, electronic Notifications for purposes related to the Online Payment Service may be generated and sent to the Depositor at the Notice Contact Information after the Depositor authorizes a Transaction, including to advise the Depositor that the Account has been debited. To receive an electronic Notification, the Depositor must provide the Notice Contact Information required by the Financial Institution;
- n) an electronic Notification, if any, sent in connection with the Online Payment Service is for information purposes only and is no guarantee that the Participating Merchant will successfully claim the Transaction or that the Depositor has successfully purchased the product or service from the Participating Merchant; and
- o) the Financial Institution will not be liable for any cost, expense, loss, damage, or inconvenience of any nature or kind whatsoever arising as a result of using the Online Payment Services, including, but not limited to, a delay in processing a Transaction or a Participating Merchant failing to claim a Transaction.

3.12 FOREIGN CURRENCY TRANSACTIONS – If the Depositor provides instructions to the Financial Institution on an Account that is denominated in a currency other than the currency of the Account, a conversion of currency may be required. In all such Transactions and at any time a conversion of currency is made, the Financial Institution may act as principal with the Depositor in converting the currency at rates established or determined by the Financial Institution, affiliated parties, or parties with whom the Financial Institution contracts. The Financial Institution, its affiliates, and contractors may earn revenue and commissions, in addition to applicable service charges, based on the difference between the applicable bid and ask rates for the currency and the rate at which the rate is offset in the market.

3.13 NO OBLIGATION – Nothing in this Agreement will oblige the Financial Institution to:

- a) honour any Instrument drawn by the Depositor on the Financial Institution,
- b) accept any monies for investment in shares or for deposit,
- c) redeem shares,
- d) transfer money, or
- e) lend money to the Depositor.

4. DEPOSITOR INSTRUCTIONS

4.1 INSTRUMENTS – Notwithstanding article 2.5, Verification and Acceptance of Transactions by the Financial Institution, the Depositor acknowledges and agrees that the Financial Institution will not be obliged to examine or assure itself of the regularity or validity of any endorsement or signature appearing on any Instrument. The Depositor releases the Financial Institution from all claims by the Depositor or others concerning the regularity or validity of any endorsement or signature.

If the Depositor is not a sole proprietorship, the Depositor further acknowledges and agrees that if more than 1 endorsement or signature is required on an Instrument, that such an arrangement is solely between the Depositor and the Authorized User(s), whether the Financial Institution has notice of such an arrangement, including in the form described in article 2.7, Authorized Signatory(ies) and User(s), or not. The Depositor releases and agrees to indemnify and hold harmless the Financial Institution from all claims by the Depositor or others concerning the adequacy or authority of endorsements or signatures required in any arrangement made between the Depositor and the Authorized User(s).

The Depositor authorizes the Financial Institution, without enquiry, to honour and pay Instruments drawn on the Account, regardless of whether such Instruments are:

- a) drawn to the order of the Depositor or one of the Authorized Users who signed them on behalf of the Depositor,
- b) payable to cash or bearer,
- c) payable to the order and negotiated by or on behalf of the Depositor,
- d) encashed or tendered to pay the obligations of the Depositor or one or more of the Authorized Users who signed them on behalf of the Depositor, or
- e) deposited to the credit of the Depositor or one of the Authorized Users who signed them on behalf of the Depositor.

4.2 COUNTERMANDS – Any countermand of payment (commonly called a “stop payment”) of an Instrument drawn on the Account must be in writing and signed by the Authorized User who signed the Instrument that is the subject of the countermand, or by some other person(s) duly authorized by the Depositor. On receiving a countermand of payment of an Instrument drawn on the Account, the Financial Institution will:

- a) use reasonable diligence to comply with the countermand, but
- b) not be liable to the Depositor or any other person by reason of complying with, or failing to comply with, the countermand, whether the Financial Institution is negligent, wilfully negligent, or otherwise.

The Depositor hereby agrees to indemnify and save the Financial Institution harmless for all liability, costs, damages, and expenses incurred by the Financial Institution by reason of it complying with, or failing to comply with, a countermand of payment. This indemnity will enure to the benefit of the Financial Institution and will be binding upon the Depositor and the Depositor's successors and assigns.

4.3 REMOTE INSTRUCTIONS – The Depositor may provide Remote Instructions to any branch of the Financial Institution as permitted by the Financial Institution, online through the Direct Services web portal, or through the Financial Institution's telephone banking service, if any. The Remote Instructions may concern the Account maintained at that branch, or concern other Transactions and arrangements conducted at or with that branch.

The Financial Institution may, but will not be obliged to, act on Remote Instructions received in the name of the Depositor along with any requisite PAC and/or PIW, if any, to the same extent as if the Remote Instructions were written instructions delivered to the Financial Institution by mail and signed by an Authorized User on the Account. Any such Remote Instructions are deemed genuine.

The Financial Institution may, in its sole discretion, acting reasonably, delay acting on or refuse to act on any Remote Instruction.

Remote Instructions are deemed received by the Financial Institution only when actually received and brought to the attention of an authorized officer of the Financial Institution capable of acting upon and implementing the Remote Instruction.

Remote Instructions can be transmitted to the Financial Institution at the telephone or fax number or email address provided by the Financial Institution, or at such other telephone or fax number or email address as the Financial Institution may advise the Depositor by notice in writing, or online through the Direct Services web portal. **Any Authorized User(s) permitted to provide Remote Instructions may act alone and provide Remote Instructions to the Financial Institution on behalf of the Depositor, even if the certified resolution provided in accordance with article 2.7, Authorized Signatory(ies) and User(s),** specifies that 2 or more Authorized Users are otherwise required to operate the Account. The Financial Institution, acting reasonably, is entitled to assume that any person identifying himself or herself as an Authorized User is in fact an Authorized User, and can rely upon such, and the Financial Institution may act on the Remote Instructions provided by any such person. All Remote Instructions given to the Financial Institution in the name of the Depositor will bind the Depositor.

4.4 ACCESS TERMINAL TRANSACTIONS – The Depositor acknowledges and agrees that:

- a) using the PAC, PIN, and/or PIW to authorize a Transaction constitutes authorization of that Transaction in the same manner as if authorization was given by the Depositor in person or as otherwise contemplated or permitted by this Agreement;
- b) the Depositor will be bound by each such Transaction; and
- c) once a PAC, PIN, and/or PIW has been used to authorize a Transaction, the Transaction may not be revoked or countermanded.

This Agreement and the fact that the Depositor has use of a Debit Card does not give the Depositor any credit privileges or any entitlement to overdraw the Account, except as provided by separate agreement with the Financial Institution.

The Depositor irrevocably authorizes and directs the Financial Institution to debit or credit, as the case may be, the amount of any Transaction to the Account, together with any service charges or fees, authorized using the PAC, PIN, and/or PIW, in person by the Depositor or Authorized User, or as otherwise contemplated or permitted by this Agreement, in accordance with the normal practices of the Financial Institution, which may be amended from time to time without notice.

4.5 LOST OR DESTROYED INSTRUMENT – If an Instrument drawn on the Account is lost or destroyed while in the possession of another financial institution or its agents, the Financial Institution may, for all purposes, treat a copy of the Instrument, certified as being a true copy by the other financial institution, as though it were the original Instrument.

4.6 LOST OR STOLEN DEBIT CARD OR COMPROMISED PIN – If the Depositor suspects or becomes aware that the Debit Card is lost or stolen, or that the PIN has been made accessible to another person, then the Depositor will notify the Financial Institution or its agent immediately, in person or by telephone. Notification will only be considered given if the Depositor speaks directly to an authorized Financial Institution officer or agent. Upon receipt of such notice, the Depositor's liability for further unauthorized use of the Debit Card will terminate. If the Depositor notified the Financial Institution promptly and cooperated in any investigation, once the Financial Institution is satisfied that the Depositor is the victim of fraud, theft, or coercion by trickery, force, or intimidation, the Depositor will be entitled to recover from the Financial Institution any direct losses from the Account through the use of the Debit Card in such fraud, theft, or coercion incurred after notice is given to the Financial Institution.

5. COLLECTIONS

5.1 DEPOSITS – The Financial Institution may:

- a) collect or present for acceptance or payment, through such banks or other agents as the Financial Institution may deem best, all Instruments delivered by the Depositor for deposit, discount, collection, or otherwise;
- b) accept in payment of, or remittance for, such Instruments, cash or bank drafts, cheques, settlement cards, clearing house slips, or any other evidence of payment from the banks or other agents; and
- c) place a hold on the proceeds of an Instrument presented by the Depositor until the Financial Institution accepts payment of, or remittance for, such Instrument.

ACCOUNT AGREEMENT TERMS AND CONDITIONS (CONTINUED)

Any deposit made on any day during which the Financial Institution is not open for business, or at any time during which the Financial Institution is not open for business, may be credited to the Account on the next business day of the Financial Institution.

The banks or other agents described in a) and b) above will be deemed the Depositor's agent and not the Financial Institution's agent.

The Financial Institution will not be liable for:

- d) any loss resulting from the acceptance of such evidence as a payment in lieu of cash,
- e) the failure of any bank or other financial institution or any agent to remit the same,
- f) the nonpayment of any cheque, bank draft, settlement card, clearing house slip, or any other evidence of payment accepted in payment or as a remittance from any other bank or agent, or
- g) the default, neglect, or mistakes of any such banks or agents.

The Financial Institution will be responsible only for the monies actually irrevocably received by the Financial Institution from such banks or agents and free of any Third Party claims.

5.2 HOLD ON ACCOUNTS OR TRANSACTIONS – The Financial Institution may place a hold on the Account if:

- a) the Financial Institution becomes aware of suspicious or possible fraudulent or unauthorized Account activity that may cause a loss to the Depositor, the Financial Institution, Central 1, or an identifiable Third Party;
- b) an issue arises as to who the proper signing authorities are on the Account; or
- c) a claim is made by a Third Party to the funds in the Account which, in the Financial Institution's sole discretion, is potentially legitimate.

The Depositor authorizes the Financial Institution to make such inquiries and do such things, at the Depositor's expense, as the Financial Institution deems necessary to resolve any of the issues noted above, including applying, at the Depositor's expense, to a court of competent jurisdiction (a "Court") to pay funds into Court and/or seek directions from a Court. The Depositor agrees to indemnify the Financial Institution for any expense or cost incurred by the Financial Institution arising from the need to place a hold on the Account or Transactions, including but not limited to expenses incurred relating to an application to a Court. If the Depositor is requested and fails to do so, the Financial Institution may, in its sole discretion, close or place a hold on the Account, free of any responsibility or liability for unprocessed Transactions during such time. Any credit to the Account for any non-cash Instrument is provisional and subject to a hold or reversal unless the Financial Institution has received actual irrevocable payment, free of any Third Party claims.

5.3 RETURNED ITEMS – The Financial Institution is authorized to debit the Account with the amount of any Instrument that:

- a) is not paid on presentation,
- b) the Financial Institution has paid and is then called upon to refund,
- c) may be dishonoured by nonacceptance or nonpayment,
- d) is drawn on the account of a party that is bankrupt or insolvent,
- e) the proceeds of which, through no fault of the Financial Institution, have been lost, stolen, or destroyed,
- f) the proceeds of which, for any reason, the Financial Institution is unable to collect or withdraw,
- g) has been cashed, negotiated, or credited to the Account but that has not been found good, or
- h) is found to be forged, fraudulent, counterfeit, or unauthorized, regardless of whether or not the Instrument has cleared.

The Depositor further acknowledges and agrees to indemnify and save the Financial Institution harmless for all liability, costs, damages, and expenses incurred by the Financial Institution in connection with the foregoing, and authorizes the Financial Institution to debit the Account in respect of any such liability, costs, damages, and/or expenses. This indemnity will enure to the benefit of the Financial Institution and will be binding upon the Depositor and the Depositor's successors and assigns.

5.4 OVERDRAFTS – If:

- a) the Financial Institution honours an Instrument drawn by the Depositor on an Account and insufficient funds stand to the credit of that Account to pay the Instrument in full;
- b) an Instrument delivered by the Depositor to the Financial Institution for deposit, discount, collection, or otherwise is returned to the Financial Institution dishonoured, and insufficient funds stand to the credit of the Account to permit the Financial Institution to debit the full amount of the dishonoured Instrument; or
- c) the Financial Institution charges a fee, service charge, or other debit that the Financial Institution is authorized to charge to the Account, and if the funds standing to the credit of that Account are less than the amount charged to the Account;

then such event may, at the discretion of the Financial Institution, constitute:

- d) an application to redeem or transfer Financial Institution shares owned by the Depositor or to withdraw or transfer monies on deposit from an Account in the Depositor's name, to the extent that the funds standing to the credit of the particular Account are insufficient to pay the Instrument in full, or to permit the Financial Institution to charge the returned item or the fee, service charge, or debit to that Account; and
- e) an application for a loan to the extent that the shares or monies standing to the credit of the Account in the Depositor's name are insufficient to permit the payment or charging described in d) above.

If the Financial Institution grants a loan under e) above, the loan will be immediately due and payable forthwith without demand and the Depositor will pay interest on the balance of the loan at the Financial Institution's Overdraft Rate in effect from time to time.

The foregoing provisions do not give the Depositor any right to overdraw an Account or to authorize or permit anything, including a PAD or a Transaction authorized through a Debit Card, that would result in a negative balance in the Account. The Depositor agrees to indemnify the Financial Institution under article 7.3, Indemnity, e).

6. ACCOUNT SECURITY AND RISK

6.1 DEPOSITOR RIGHTS FOR INNOCENT BREACH – Subject to the provisions of this Agreement:

- a) if the Authorized User did not reveal the PAC, PIN, and/or PIW to any other person, other than authorized Financial Institution agents or officers when required by the Financial Institution, or write it down or otherwise record it, and changed the PAC, PIN, and/or PIW when required by this Agreement, the Depositor will not be liable for any unauthorized use that occurs after the Financial Institution has received written notice from the Depositor that the PAC, PIN, and/or PIW may have become known to someone other than the Authorized User. The Financial Institution will not be considered to have received written notice until the Financial Institution gives the Depositor written acknowledgement of receipt of such notice; and
- b) the Financial Institution will not otherwise be liable for any damages or other liabilities that the Depositor may incur by reason of the Financial Institution acting, or failing to act, on Remote Instructions given in the name of the Depositor, whether or not the Depositor or the Authorized User actually gave the Remote Instructions. The Financial Institution will not be liable for any damages or other liabilities that the Depositor may incur by reason of the Financial Institution acting, or failing to act, on no statement requests made in the name of the Depositor, whether or not the Depositor or the Authorized User actually gave the no statement request by Remote Instructions.

6.2 FRAUD PREVENTION AND DETECTION – The Depositor agrees to maintain appropriate security controls and procedures to prevent and detect thefts of Instruments, or losses due to fraud or forgery involving Instruments, or fraudulent or unauthorized Transactions.

The Depositor further agrees to diligently supervise and monitor the conduct and work of all agents and employees having any role in the preparation of the Depositor's Instruments, the Depositor's reconciliation of the statement of account for the Account, or other banking functions.

6.3 PROCEDURES FOR ADDRESSING UNAUTHORIZED TRANSACTIONS AND OTHER TRANSACTION PROBLEMS – In the event of a problem with a Transaction or an unauthorized Transaction, the Depositor will report the issue immediately to the Financial Institution. The Financial Institution will investigate and respond to the issue on a timely basis. The Financial Institution will not unreasonably restrict the Depositor from the use of the Account subject to dispute, as long as it is reasonably evident that the Depositor or the Authorized User(s) did not cause or contribute to the problem or unauthorized Transaction, has fully cooperated with the investigation, and has complied with this Agreement. The Financial Institution will respond to reports of a problem or unauthorized Transaction within 10 business days and will, within a reasonable period of time thereafter, indicate what reimbursement, if any, will be made for any loss incurred by the Depositor. Reimbursement will be made for losses from a problem or unauthorized Transaction in this time frame provided that the Depositor has complied with this Agreement and on the balance of probabilities it is shown that the Depositor or the Authorized User(s) took all reasonable and required steps to:

- a) protect the confidentiality of the PAC, PIN, and/or PIW as required by this Agreement;
- b) use security safeguards to protect against and detect loss, theft, and unauthorized access as required by this Agreement; and
- c) act immediately, upon receiving a Notification of, or becoming aware of, an unauthorized Transaction, to mitigate against further loss and report the issue to the Financial Institution.

6.4 DEBIT CARD CODE OF PRACTICE – This Agreement is drafted with due regard to the Canadian Code of Practice for Consumer Debit Card Services, a copy of which is available from the Financial Institution on request.

If the Depositor is not satisfied with the Financial Institution's response, the Financial Institution will provide the Depositor, upon request, with a written account of its investigation and the reason for its findings. If the Depositor is not satisfied, the issue will be referred for mediation to either a Financial Institution system dispute resolution service, or if no such service is available, to an external mediator if agreed between

ACCOUNT AGREEMENT TERMS AND CONDITIONS (CONTINUED)

the Depositor and the Financial Institution. Neither the Financial Institution nor the Depositor will have the right to start court action until 30 days have passed since the problem was first raised with the Financial Institution.

Any dispute related to goods or services supplied in a Point-of-Sale Transaction is strictly between the Depositor and the Merchant, and the Depositor will raise no defence or claim against the Financial Institution.

6.5 ACCESS TERMINAL SECURITY – If Direct Services are made available through the Internet or a telephone service provider, the Depositor acknowledges that, although the Financial Institution uses security safeguards to protect against loss, theft, and unauthorized access, because of the nature of data transmission, security is not guaranteed and information is transmitted at the risk of the Depositor. The Depositor acknowledges and shall ensure that any private Access Terminal used by an Authorized User to access Direct Services is auto-locked by a password to prevent unauthorized use of the Access Terminal, has a current anti-contaminant program and a firewall, and that it is the Depositor's responsibility to reduce the risk of contaminants or online attacks and to comply with this provision. The Depositor further acknowledges that to reduce the risk of unauthorized access to the Account through the Access Terminal, the Authorized User will sign out of Direct Services and, where applicable, close the browser when finished using it. The Depositor further acknowledges that using public or shared computers and Access Terminals, or using Access Terminals in a public place or through an open WiFi or shared Bluetooth portal, to access Direct Services increases the risk of unauthorized access to the Account and will take all reasonable precautions to avoid such use or inadvertent disclosure of the PAC, PIN, and/or PIW.

6.6 PAC, PIN, AND PIW CONFIDENTIALITY – The Financial Institution can assign and/or require the Depositor to select and use a PAC, PIN, and/or PIW in connection with this Agreement. The Depositor agrees to ensure that the Authorized User(s) keep the PAC, PIN, and PIW confidential and will only reveal them to authorized Financial Institution agents or officers when required by the Financial Institution. The Depositor agrees to ensure that the Authorized User(s) will not record the PAC, PIN, or PIW in any format or medium. The Depositor can change the PAC, PIN, or PIW at any time. The Depositor will advise the Authorized User(s) that the Authorized User(s) may, by notice in writing to the Financial Institution, change the PAC, PIN, or PIW at any time. The Depositor agrees to ensure that the Authorized User(s) change(s) the PAC, PIN, or PIW if and when required by the Financial Institution. The Depositor acknowledges that the PAC, PIN, and/or PIW must be changed if there is a change in the Authorized Users on the Account.

The Depositor is responsible for all use of the PAC, PIN, and/or PIW and for all Transactions on the Account.

The Depositor acknowledges that the Financial Institution may, from time to time, implement additional security measures, and the Depositor will comply with all instructions and procedures issued by the Financial Institution in respect of such security measures. The Depositor is aware of the risks of unsolicited email, telephone calls, and text message transmissions from persons purporting to be representatives of the Financial Institution. The Depositor agrees not to respond to such unsolicited communications and will only initiate communications with the Financial Institution either through the Financial Institution's Internet banking website or through the Financial Institution's published contact information as shown on the Financial Institution's website.

If the Authorized User discloses the PAC to a Third Party, and if the Financial Institution becomes aware of such disclosure, the Financial Institution may, in its sole discretion, waive the confidentiality requirements described in this article 6.6, PAC, PIN, and PIW Confidentiality, but only if such disclosure is for a reputable personal financial management service similar to that described in article 3.9, Personal Financial Management. Notwithstanding any such waiver, the Depositor acknowledges and agrees that the Depositor remains responsible for all use of the PAC by the Third Party.

6.7 EXCLUSION OF FINANCIAL INSTITUTION RESPONSIBILITY – The Financial Institution is not responsible for any loss or damage suffered or incurred by the Depositor except to the extent caused by the gross negligence or intentional or willful misconduct of the Financial Institution, and in any such case the Financial Institution will not be liable for any indirect, special, consequential, or exemplary damages (including, but not limited to, loss of profits) regardless of the cause of action and even if the Financial Institution has been advised of the possibility of such damages. In no event will the Financial Institution be liable for any cost, loss, or damage (whether direct, indirect, special, or consequential) suffered by the Depositor that is caused by:

- the actions of, or any failure to act by, the Depositor, or any Third Party (and no Third Party will be considered to be acting as an agent for the Financial Institution unless expressly authorized to do so);
- the inaccuracies in, or inadequacies of, any information provided by the Depositor to the Financial Institution, including, but not limited to, any failed, duplicative, or erroneous transmission of Remote Instructions;
- the failure by the Financial Institution to perform or fulfill any of its obligations to the Depositor, due to any cause beyond the Financial Institution's control; or
- forged, unauthorized, or fraudulent use of services, or forged, unauthorized, or fraudulent instructions or Instruments, or material alteration to an instruction, including Remote Instructions.

6.8 RISKS AND DUTIES – Except for loss caused exclusively by the Financial Institution's gross negligence or intentional or willful misconduct, and subject to the limitations of liability in this Agreement, the Depositor assumes all risk of loss due to the use of the Account, including, without limitation, the risk of Third Party fraud. The Depositor further agrees that it will notify the Financial Institution immediately

- of any suspected or actual misuse or unauthorized use of the PAC, PIN, and/or PIW; or
- if the PAC, PIN, and/or PIW becomes known to anyone other than the Authorized User(s); and
- if the Depositor receives Notification of any Transaction affecting the Account that alerts the Depositor of Account activity that was not authorized by them.

The Depositor or the Authorized User, as applicable, will change the PAC, PIN, and/or PIW if either of the notification requirements above in a) or b) arises.

The notification requirement above in b) does not apply if the Authorized User has disclosed the PAC to a Third Party for a personal financial management service similar to that described in article 3.9, Personal Financial Management.

The Depositor acknowledges that the Depositor is responsible for all use made of the PAC, PIN, and/or PIW and that the Financial Institution is not liable for the Depositor's failure to comply with any part of this Agreement. The Depositor is liable for all authorized and unauthorized use, including all Transactions. The Depositor is also liable for all fraudulent or worthless deposits made into the Account. Without limiting the generality of the foregoing, the Depositor expressly acknowledges and agrees that the Depositor shall be bound by and liable for any use of the PAC, PIN, and/or PIW by a member of any Authorized User's household.

The Financial Institution will not be liable to the Depositor for any action or failure to act of a Merchant or refusal by a Merchant to honour the Debit Card, whether or not such failure or refusal is the result of any error or malfunction of a device used to authorize the use of the Debit Card for a Point-of-Sale Transaction.

Except for direct losses, subject to the restrictions in this Agreement, resulting from circumstances beyond the Depositor's control such as technical problems and unauthorized use of the Debit Card and PIN, the Financial Institution will not be liable for any loss, damage, or injury arising from the use of ATMs or Point-of-Sale terminals or from any mechanical or operational failure of any such devices, and the Depositor releases the Financial Institution from liability for any such loss, damage, or injury. In the event of alteration of the Account balance due to technical problems, card issuer errors, and system malfunctions, the Depositor will be liable only to the extent of any benefit the Depositor has received, and will be entitled to recover from the Financial Institution any direct losses the Depositor may have suffered.

The Depositor will instruct the Authorized User(s) not to use their Debit Card and PIN for any unlawful purpose, including the purchase of goods and services prohibited by local law applicable in the Depositor's jurisdiction.

The Depositor is liable for all transfers to linked accounts. The Depositor bears all risk for all such Transactions.

Where the Depositor knows of facts that give rise or ought to give rise to suspicion that any Transactions, instructions in respect of the Account, or Instruments deposited to the Account are fraudulent, unauthorized, counterfeit, or induced through or in any way tainted by fraud or unlawful conduct, or otherwise likely to be returned to the Financial Institution or found invalid for any reason, the Depositor has a duty to make reasonable inquiries of proper parties into such Transactions, instructions, or Instruments, as the case may be, to determine whether they are valid authorized Transactions, instructions, or Instruments, as the case may be, before negotiating or, alternatively, accessing any funds derived from such Transactions, instructions, or Instruments, and to disclose to the Financial Institution, the Depositor's suspicion and the facts upon which the Depositor's suspicion is based ("Suspicious Circumstances").

The Financial Institution may, in its sole discretion, investigate any Suspicious Circumstances disclosed by the Depositor, but the Financial Institution does not owe the Depositor any obligation to undertake its own investigation of Suspicious Circumstances. The Financial Institution may place a hold on all or some of the Accounts pending investigation of any improper use of any Account. Any hold imposed by the Financial Institution pursuant to any of the terms of this Agreement, or investigation undertaken by the Financial Institution, is imposed or undertaken by the Financial Institution at the Financial Institution's sole discretion and for the Financial Institution's sole benefit.

Release of a hold by the Financial Institution is not a confirmation that a Transaction, instruction, or Instrument is in fact good and may not be relied upon as such by the Depositor. If, to the satisfaction of the Financial Institution, any improper use is established, the Financial Institution can withdraw or suspend operation of the Account without notice.

Any monies or Instruments placed in an envelope or deposit bag and placed by an Authorized User in the night depository will be at the Depositor's risk until the monies or Instruments are actually entered or recorded as a deposit to the credit of the Account. The Financial Institution is not responsible for or under any obligation to account for any lost or destroyed monies or Instruments which an Authorized User may place in the night depository, even if the loss or destruction is the result of the Financial Institution's negligence or that of the authorized Financial Institution officers.

The Depositor acknowledges that the Depositor bears all risks related to the use of Facsimile Signatures.

6.9 FINANCIAL INSTITUTION RECORDS – The Financial Institution's records of all Transactions will be deemed to be correct and will be conclusive and binding on the Depositor. All Transactions will appear on the regular statement of account for the Account.

ACCOUNT AGREEMENT TERMS AND CONDITIONS (CONTINUED)

If the Depositor believes or suspects that the records of the Financial Institution contain an error or omission, or reflect unauthorized Account activity, the Depositor must give immediate written notice to the Financial Institution, and in any event, must do so within the time provided in this Agreement.

A copy of any fax or email message or other Remote Instructions or the Financial Institution's notes of any Remote Instructions given by telephone may be entered into evidence in any court proceedings as if it were an original document signed on behalf of the Depositor. The Depositor will not object to the admission of the Financial Institution's or Central 1's records as evidence in any legal proceeding on the grounds that such records are not originals, are not in writing, are hearsay, or are documents containing information extracted from a computer, and all such records will be conclusive evidence of the Remote Instructions in the absence of documentary recorded evidence to the contrary.

In the absence of evidence to the contrary, the records of the Financial Institution are conclusive for all purposes, including litigation, in respect of any other matter or thing relating to the state of the Accounts between the Depositor and the Financial Institution in respect of any Transaction.

6.10 LIABILITY FOR ERRORS AND OMISSIONS – If the Financial Institution makes an error or omission in recording or processing any Transaction, the Financial Institution is only liable for the amount of the error or omission if the Depositor has not caused or contributed to the error or omission in any way, has complied with this Agreement, has given written notice to the Financial Institution within the time provided in this Agreement, and to the extent the liability is not otherwise excluded by this Agreement.

If the Depositor has given such notice, the Financial Institution's maximum liability is limited to the amount of the error or omission. In no event will the Financial Institution be liable for any delay, inconvenience, cost, loss, or damage (whether direct, special, indirect, exemplary, or consequential) whatsoever caused by, or arising from, any such error or omission.

7. THIRD PARTIES

7.1 LINKS – If Direct Services are made available through the Internet, the Financial Institution's website may provide links to other websites, including those of Third Parties who may also provide services to the Depositor. The Depositor acknowledges that all those other websites and Third Party services are independent from the Financial Institution's and may be subject to separate agreements that govern their use. The Financial Institution and Central 1 have no liability for those other websites or their contents or the use of Third Party services. Links are provided for convenience only, and the Depositor assumes all risk resulting from accessing or using such other websites or Third Party services.

7.2 SERVICES – The Financial Institution and Central 1 may, from time to time, make services provided by Third Parties available through Direct Services or the Financial Institution's website. The Depositor acknowledges and agrees that:

- a) the Financial Institution and Central 1 make the services of Third Parties available through Direct Services or the Financial Institution's website for the convenience of Depositors. The services are provided by the Third Party and not the Financial Institution or Central 1. The Depositor's relationship with the Third Party shall be a separate relationship, independent of the relationship between the Depositor and the Financial Institution and Central 1, and such a relationship is outside the control of the Financial Institution and Central 1;
- b) the Financial Institution and Central 1 make no representation or warranty to the Depositor with respect to any services provided by a Third Party even though those services may be accessed by the Depositor through Direct Services or the Financial Institution's website;
- c) the Depositor assumes all risks associated with accessing or using the services of Third Parties;
- d) the Financial Institution and Central 1 have no responsibility or liability to the Depositor in respect of services provided by a Third Party;
- e) any dispute that relates to services provided by a Third Party is strictly between the Depositor and the Third Party, and the Depositor will raise no defence or claim against the Financial Institution and/or Central 1; and
- f) the *Proceeds of Crime (Money Laundering) and Terrorist Financing Act and Regulations* may apply to the services provided by Third Parties and that the Third Parties may, from time to time, adopt policies and procedures to address the reporting, record-keeping, client identification, and ongoing monitoring requirements of that legislation.

7.3 INDEMNITY – The Depositor agrees to indemnify and hold the Financial Institution and its service providers and Central 1 and all of their connected parties, including, without limitation, their respective agents, directors, officers, employees, affiliates, and licensees (collectively, the "Indemnified Parties") harmless from and against any and all liabilities and costs, including, without limitation, reasonable legal fees and expenses incurred by the Indemnified Parties in connection with any claim or demand arising out of or connected to the Depositor's use of the Account. Depositors must assist and cooperate as fully as reasonably required by the Indemnified Parties in the defense of any such claim or demand. The disclaimers, liability exclusions, liability limitations, and indemnity provisions in this Agreement survive indefinitely after the termination of this Agreement and apply to the extent permitted by law. Without limiting the foregoing, the Depositor will indemnify and save the Indemnified Parties harmless from and against all liability, costs, loss, expenses, and damages, including direct, indirect, and consequential, incurred by the Indemnified Parties as a result of:

- a) the Financial Institution treating a Facsimile Signature of an Authorized User and/or Authorized Signatory as an original and genuine signature,
- b) any of the Indemnified Parties making the Account available to the Depositor,
- c) any of the Indemnified Parties acting upon, or refusing to act upon, Remote Instructions,
- d) any of the Indemnified Parties acting upon, or refusing to act upon, no statement requests made by the Depositor,
- e) any Transaction that results in a negative balance in the Account, or
- f) the consequences of any Transaction authorized by the Depositor.

This indemnity will enure to the benefit of the Indemnified Parties and will be binding upon the Depositor and the Depositor's successors and assigns and shall survive the termination of this Agreement for any act or omission prior to termination as gives rise to an indemnified claim, even if notice is received after termination.

8. ACCOUNT RECORDS

8.1 PAPER STATEMENTS – Unless the Depositor requests the Financial Institution to hold the Depositor's statement of account for the Account for pick up by the Depositor, or appoints in writing an agent to pick up the statement of account for the Account, or consents to the statement of account for the Account being made available electronically, or requests no statement of account for the Account to be sent by the Financial Institution, the Financial Institution will mail such statement of account for the Account to the Depositor at the address the Depositor last gave in writing. It is the Depositor's responsibility to notify the Financial Institution immediately of any change in the Depositor's address.

8.2 NO PAPER STATEMENT ACKNOWLEDGEMENT – If, at the request of the Depositor, the Financial Institution agrees to cease printing and mailing statements of account for the Account to the Depositor, the Depositor acknowledges and agrees that the Depositor will be responsible to obtain (whether from the Financial Institution or using Direct Services) and review, after the end of each calendar month, a statement of account for the Account.

8.3 COMPLIANCE WITH NOTIFICATION DATE – The Depositor will be responsible to obtain (whether from the Financial Institution or using Direct Services) and review, after the end of each calendar month, a statement of the activity in the Account, and will, by the end of the following calendar month (the "Notification Date"), notify the Financial Institution of any errors, irregularities, omissions, or unauthorized Transactions of any type in that account record or in any Instruments or other items, or of any forgeries, fraudulent or unauthorized Transactions of any type, and any debits wrongly made to the Account.

Notwithstanding any other provision of this Agreement, after the Notification Date (except as to any errors, irregularities, omissions, or unauthorized Transactions of any type of which the Depositor has notified the Financial Institution in writing on or before the Notification Date), the Depositor agrees that:

- a) the amount of the balances shown on the last day of the calendar month is correct and binding on the Depositor subject to the right of the Financial Institution to make reversals in accordance with this Agreement;
- b) all amounts charged to the Account are valid;
- c) the Depositor is not entitled to be credited with any amount not shown on the statement of account for the Account for that calendar month;
- d) the Depositor has verified the validity of any Instruments and instructions; and
- e) the use of any service shown is correct.

8.4 DEPOSITOR ACKNOWLEDGEMENT – The Depositor acknowledges that:

- a) notwithstanding that an Instrument may be provisionally posted to the Account, it is not considered processed until it has been honoured and irrevocably collected by the Financial Institution and the time for return by any process of law has expired. The credit represented by an Instrument that is not honoured and collected, or is charged back or tainted by fraud, may be reversed from the Account notwithstanding any provisional posting. The statement of account for the Account will be modified accordingly; and
- b) notwithstanding that a deposit or other credit may be provisionally posted to the Account, it is not considered processed until it has been verified and accepted by the Financial Institution. A deposit or other credit that is not verified and accepted may be reversed from the Account notwithstanding any provisional posting. The statement of account for the Account will be modified accordingly.

8.5 PAD REIMBURSEMENT – Despite article 8.3, Compliance with Notification Date, if the Depositor has authorized PADs to be issued against any of the Accounts, the Depositor acknowledges that the Rules provide that, under specified conditions, claims for reimbursement of PADs may be made and:

- a) where the purpose of the PAD was for payment of consumer goods and services, the time period for making such a claim is 90 calendar days from the date of debiting; and
- b) where the purpose of the PAD was for payment of goods and services related to commercial activities of the Depositor, the time period for making such a claim is 10 business days from the date of debiting.

ACCOUNT AGREEMENT TERMS AND CONDITIONS (CONTINUED)

Claims must be made in writing to the Financial Institution within the specified time period and in compliance with the Rules, as amended from time to time.

The Depositor further acknowledges that:

- c) the Depositor may not receive the statement of account for the Account before the 10 business-day period expires and the Financial Institution is not obliged to otherwise notify the Depositor of PADs debited to the Account; and
- d) after the 10 business-day period expires, and whether or not the Depositor has been notified of the PAD being debited to the Account, the Depositor must resolve any dispute directly with the payee – the Financial Institution will not be required to reimburse the Depositor for the amount of such PAD, notwithstanding any other provision of this Agreement.

The Depositor is responsible for PADs authorized by it, and agrees:

- e) to release and discharge the Financial Institution from any and all claims and demands (except claims for reimbursement made within the 10 business-day period) in respect of PADs issued against the Account; and
- f) to indemnify and save the Financial Institution harmless, from and against, all liability, cost, damages, and expenses incurred by the Financial Institution in connection therewith. The above indemnity enures to the benefit of the Financial Institution and will be binding upon the Depositor and the Depositor's successors and assigns.

8.6 ACCOUNT STATEMENTS AND TRANSACTION VERIFICATION – The Depositor shall be deemed to have received a statement of account for the Account each time the Depositor uses Direct Services and each time the Depositor obtains an Account balance through any ATM or Access Terminal or conducts a Point-of-Sale Transaction. The Depositor shall also be deemed to have received and reviewed a statement of account for the Account at least monthly no later than the 21st day of the month following the preceding month, whether actually issued by the Financial Institution or whether the Depositor actually receives one or not.

The Depositor agrees to examine every statement of account for the Account as soon as the Depositor receives it or is deemed to have received it. The Depositor shall immediately, and in any event no later than 30 days after receiving or being deemed to have received a statement of account for the Account, give notice to the Financial Institution of any errors, omissions, or irregularities, including any fraud or unauthorized activity, included in or preceding each such statement of account for the Account. Unless objected to in writing within 30 days of the date on which the statement of account for the Account is received or is deemed to have been received by the Depositor, the Depositor agrees that the Financial Institution's records are conclusive evidence of the Depositor's dealings with the Financial Institution regarding the Depositor's Account and are correct, complete, authorized, and binding upon the Depositor, and the Financial Institution will be released from all responsibility for Account activity preceding the statement of account for the Account.

After the expiration of the 30-day period (except for errors or irregularities identified by notice in writing to the Financial Institution before the 30 days expire), the Depositor may not claim for any purpose that any entry on the statement of account for the Account is incorrect and will have no claim against the Financial Institution for reimbursement relating to any entry, even if the entry is unauthorized or fraudulent or is based upon an Instrument or instruction that is forged, unauthorized, or fraudulent.

Nothing in this article limits in any way the rights of the Financial Institution under this Agreement including, without limitation, the rights of the Financial Institution under article 2.6, Noting or Protesting, article 5.1, Deposits, and article 5.3, Returned Items.

8.7 RECORDS AND CHEQUE IMAGING – The Financial Institution will determine, in its sole discretion, whether Instruments and other items will be returned to the Depositor with the statement of account for the Account.

If the Financial Institution implements an imaging program, the Financial Institution will determine, in its sole discretion, whether copies of images of Instruments and other items will be provided for the statement of account for the Account. The Depositor acknowledges that copies of images of Instruments and other items may be provided before the Financial Institution has determined whether the Instrument or other item will be honoured or accepted and agrees that copies of images of Instruments and other items are made available by the Financial Institution as a service to the Depositor and that the provision of copies of images of Instruments and other items does not mean that the Transaction has been processed or in any way oblige the Financial Institution to honour or accept the Instrument or other item.

The Depositor acknowledges that if the Financial Institution adopts an imaging program, the physical Instruments and other items may be destroyed. If the Financial Institution has implemented an imaging program and determines not to include copies of images of Instruments and other items with the statement of account for the Account, the Financial Institution will ensure that copies of images can be made available to the Depositor upon request for at least 5 years following the date of the statement of account for the Account on which the Instrument or other item appears, subject to payment of the service charges established by the Financial Institution from time to time.

8.8 VIEWING DOCUMENTS – The Financial Institution may, in connection with Direct Services, permit the Authorized User to view and print images of documents. The Depositor acknowledges and agrees that such images are made available by the Financial Institution as a service to the Depositor and the provision of such images does not in any way oblige the Financial Institution to permit the Authorized User to view and print images of documents.

9. OPERATION OF THE ACCOUNT

9.1 MODIFICATION OF AGREEMENT – The Financial Institution may, in its sole discretion, amend the terms and conditions of this Agreement as it relates to the Depositor's future use of the Account from time to time, for any reason, without any liability to the Depositor or any other person. The Financial Institution may provide notice of a change to this Agreement by sending notice to the Depositor's last known Notice Contact Information, by posting notice at the Financial Institution's premises, by personal delivery, or by any other means the Financial Institution, acting reasonably, considers appropriate to bring the modification to the attention of the Depositor. The Depositor is responsible for regularly reviewing the terms and conditions of this Agreement. If the Depositor uses the Account after the effective date of an amendment to this Agreement, it will mean that the Depositor agrees to the amendment and adopts and is bound by the newer version of this Agreement. The Depositor may not change, supplement, or amend this Agreement by any means.

9.2 TERMINATION – This Agreement may be terminated by either the Financial Institution or the Depositor on not less than 1 business day's prior written notice.

The Depositor shall not, and shall ensure that each Authorized User does not:

- a) use the Account and/or Third Party services for an illegal, fraudulent, or defamatory purpose, and
- b) take steps, or cause, or permit anything to be done that could undermine the security or integrity of the Account and/or Third Party services (including activities that threaten to harm or cause harm to any other participant in the provision, utilization, or support of the Account and/or Third Party services).

In the event of a breach of the provisions of a) or b), the Account or any service provided by a Third Party may be suspended or terminated.

Notwithstanding the above, the Depositor acknowledges and agrees that the Financial Institution may, in its sole discretion, at any time or for any reason, restrict, suspend, or terminate the Depositor's Account privileges on not less than 1 business day's prior written notice. The Depositor acknowledges and agrees to indemnify and save harmless the Financial Institution from and against any and all damages, costs, expenses, and liability arising or incurred by the Financial Institution as a result of any use of the Account by an Authorized User that:

- c) is inconsistent with a restriction imposed on the use of the Account by the Financial Institution and communicated to the Depositor, or
- d) takes place following the suspension or termination of service privileges by the Financial Institution.

The Depositor will immediately return all Debit Cards issued to it or to the Authorized User(s) upon:

- e) ceasing to be a member of the Financial Institution,
- f) termination of this Agreement,
- g) termination of Debit Card privileges, or
- h) otherwise upon request by the Financial Institution.

The Depositor will be responsible for paying all legal fees and expenses (on a solicitor and own client basis) incurred by the Financial Institution in terminating the Account.

The Depositor's insolvency, bankruptcy, dissolution, or death will constitute an automatic revocation of the privileges associated with the Account.

If the Financial Institution gives the Depositor notice of termination, the Depositor will immediately cease using the Night Deposit Service, return all access keys, and reimburse the Financial Institution for any loss or damage to the keys or other facilities provided by the Financial Institution.

Any notice of termination shall not release the Depositor from any obligations incurred under this Agreement prior to its termination.

9.3 NOTICES – Any notice required or permitted to be given to the Financial Institution in connection with this Agreement must be in writing and must be addressed and delivered to the Financial Institution at the address or fax number set forth in the Account Documentation. Any notice required or permitted to be given to the Depositor in connection with this Agreement may be given to the Depositor by delivering a written notice to the last known Notice Contact Information, or, except as to confidential financial information specific to the Depositor, by posting notice at the Financial Institution's premises or on the Financial Institution's website, or by any other means the Financial Institution, acting reasonably, considers appropriate to bring the notice to the attention of the Depositor.

9.4 ELECTRONIC EXECUTION – This Agreement may be executed electronically. Use of the Account shall be deemed to be acceptance of these terms and conditions as of the date of first use, or in the case of a modification of this Agreement, acceptance of the modified terms and conditions.

9.5 PROCEEDS OF CRIME LEGISLATION – The Depositor acknowledges that the *Proceeds of Crime (Money Laundering) and Terrorist Financing Act and Regulations* apply to the operation of the Account and that the Financial Institution will, from time to time, adopt policies and procedures to address the reporting, record-keeping, client identification, and ongoing monitoring requirements of that legislation. The Depositor agrees, and shall ensure that the Authorized User(s) agrees, to abide by and comply with all such laws and procedures.

ACCOUNT AGREEMENT TERMS AND CONDITIONS (CONTINUED)

- 9.6 OTHER CLAIMS ON THE ACCOUNT** – If the Financial Institution receives notice of a possible claim against, or interest in, any of the Accounts under any court order, statutory demand, or under applicable family, domestic relations, matrimonial property, or similar legislation, a marriage agreement, or a separation agreement, the Financial Institution may refuse to permit the Depositor to have any dealings with any of the Accounts, even if funds stand to the credit in any such Account. The Financial Institution will not be liable for any loss or damage resulting from any refusal by the Financial Institution under this article.
- 9.7 APPLICABLE LAW** – This Agreement is governed by the laws of the province of the Account, or if more than 1 Account, then the jurisdiction of incorporation of the Financial Institution and the federal laws of Canada applicable therein, excluding any rules of private international law or the conflict of laws which would lead to the application of any other laws.
- 9.8 ENUREMENT** – This Agreement will take effect and continue for the benefit of and be binding upon each of the Financial Institution and the Depositor and their successors and assigns.
- 9.9 SEVERABILITY** – This Agreement will be enforced to the fullest extent permitted by applicable law. If for any reason any provision of this Agreement is held to be invalid or unenforceable to any extent, then:
- a) the offending portion of the provision shall be expunged and the remainder of such provision will be interpreted, construed, or reformed to the extent reasonably required to render the same valid, enforceable, and consistent with the original intent underlying such provision; and
 - b) such invalidity or unenforceability will not affect any other provision of this Agreement.
- 9.10 NO WAIVER** – No waiver by the Financial Institution of any breach of or default under this Agreement shall be deemed to be a waiver of any preceding or subsequent breach or default. The Financial Institution may, without notice, require strict adherence to the terms and conditions of this Agreement, despite any prior indulgence granted to or acquiesced in by the Financial Institution.
- 9.11 CHOICE OF LANGUAGE** – It is the express wish of the parties that this Agreement and any related documents be drawn up and if execution is required, to be executed in English. Les parties conviennent que la présente convention et tous les documents s’y rattachant soient rédigés et signés en anglais.

PFM SCHEDULE FOR CONSENT AND DISCLOSURE FOR PFM SERVICE (“PFM SPECIAL TERMS”)

- 1. ACCEPTANCE OF PFM SERVICE SPECIAL TERMS** – The Depositor acknowledges, and shall ensure that the Authorized User acknowledges, their acceptance of these PFM Special Terms such that they form and are part of the Agreement. The Financial Institution does not offer Direct Services other than in accordance with these terms and conditions.

If there is more than one Depositor or Authorized User in respect of the Account, or multiple holders of the External Account, the Depositor expressly accepting these terms hereby warrants and represents to the Financial Institution that such Depositor has the lawful, express, and actual authority of all other Depositors and Authorized Users on the Account, or holders and authorized users of the External Account, and each of them:

- (i) to consent to the use of all and each of the Depositors’ and Authorized Users’ personal information for purposes of the provision and use of PFM Services; and
- (ii) to acknowledge, accept and agree to be bound by the terms of the Agreement and these PFM Special Terms, including Schedule I to the PFM Special Terms, so as to form a valid and binding agreement as between all of the Depositors and the Financial Institution.

The Depositor expressly accepting these terms does so on behalf of all of the Depositors and Authorized Users and understands that these representations and warranties, and acceptance of these terms, will be relied upon by the Financial Institution in providing PFM Services. The Depositor expressly accepting these terms understands that if these representations and warranties are untrue it may cause loss, harm and damage to the Financial Institution for which that Depositor is responsible. The Depositor expressly accepting these terms hereby agrees to indemnify and hold harmless the Financial Institution from any loss, damage, costs, including reasonable legal fees, claims or other harm that may be suffered as a result of the Financial Institution’s reliance upon these representations and warranties.

- 2. PERSONAL FINANCIAL MANAGEMENT ACCOUNT LINKING CONSENT** – The Depositor understands, and shall ensure that the Authorized User understands, that the Personal Financial Management tool and account linking service, defined in the Agreement as the “PFM Service”, is being offered through the Depositor’s Financial Institution in coordination with Central 1 Credit Union (“Central 1”) and by Yodlee Inc. (“Yodlee”) and that it is an express requirement of Yodlee that if the Depositor or Authorized User wishes to subscribe, access, or use the PFM Service that the Depositor or Authorized User must consent to amendments and incorporation of certain terms to the Agreement with the Financial Institution as more particularly set forth in the Mandatory Provisions for Customer Agreement as set forth in the Schedule I below, (the “Mandatory Provisions”). The Depositor understands, and shall ensure that the Authorized User understands, that subscription to the PFM Service, whether by linking Accounts at the Financial Institution alone or with External Accounts at Third Party institutions will require that the Depositor or Authorized User share certain otherwise confidential and personal information to engage the PFM Service.
- 3. PFM DISCLOSURE OF ACCESS CODE AND CONFIDENTIAL INFORMATION TO LINKED ACCOUNTS** – The Depositor or Authorized User authorizes the Financial Institution, Central 1, and their respective agents, representatives, and service providers, (collectively referred to solely for purposes of this PFM Special Terms as the “F.I. Affiliates”) as well as Yodlee, to collect, use, and disclose the Depositor’s or Authorized User’s personal information, including the Depositor’s or Authorized User’s personal access codes, in order to link the External Accounts to the Depositor’s Account with the Financial Institution, and periodically access the External Accounts to update the Depositor’s or Authorized User’s personal information and to perform data analytics on all linked accounts to present information and reports to the Depositor or Authorized User and make available to the Depositor or Authorized User and the Depositor’s Financial Institution, a personal financial management summary of all of the Depositor’s or Authorized User’s linked accounts and transactions thereon. Notwithstanding the foregoing, this provision shall not be deemed to in any way diminish the Depositor’s or Authorized User’s duties and responsibilities to personally access and review the External Accounts and to otherwise comply with the agreements in place with Third Parties holding those External Accounts, nor shall any right of access to information granted by the Depositor or Authorized User pursuant to this Agreement create any obligation on the part of the Financial Institution, Central 1, or the PFM Service provider to monitor or warn the Depositor or Authorized User of any unusual or unauthorized account activity on any Account or any External Accounts. The Depositor understands, and shall ensure that the Authorized User understands, that the institutions holding the Depositor’s or Authorized User’s External Accounts may prohibit disclosure of the Depositor’s or Authorized User’s personal access codes, and that it is the Depositor’s or Authorized User’s responsibility to confirm that the Depositor’s or Authorized User’s personal access codes can be disclosed to Yodlee for the purpose of linking the External Accounts. This will not be confirmed by the Financial Institution, the F.I. Affiliates, or Yodlee.
- 4. PFM SERVICE DISCLAIMER** – The Depositor confirms, and shall ensure that the Authorized User confirms, that the Depositor or Authorized User is permitted to link the Depositor’s or Authorized User’s External Accounts, and the Depositor or Authorized User accepts all risk associated with the linking of the Depositor’s Financial Institution Account to the Depositor’s or Authorized User’s External Accounts, including all risk associated with disclosure of the Depositor’s or Authorized User’s personal access codes. The Depositor agrees and acknowledges, and shall ensure that the Authorized User agrees and acknowledges, that the Financial Institution or any F.I.
