

MACKENZIE VILLAGE

In partnership with Karli Shih

At Kootenay Savings Credit Union, we know the local real estate market and work hard to understand your mortgage needs. Our decision makers live right here in the Kootenays and our goal is to make your experience as stress-free as possible.

We're excited to offer a preferred mortgage package for the purchase of townhomes, penthouses and condos at Mackenzie Village in Revelstoke, BC, including:

- Competitive mortgage rates guaranteed up to 24 months at time of approval.
- Should rates decrease within 120 days of closing, your rate will be adjusted to reflect the lower rate.
- \$100 Kootenay Insurance Services coupon for homeowners insurance on qualifying policies.
