Kootenay Savings Credit Union Celebrates 15 Years as Signature Sponsor of Music in the Park

Trail, BC — Kootenay Savings Credit Union (KSCU), in partnership with the Trail and District Arts Council (TDAC), is proud to present **Kootenay Savings Music in the Park** once again. This much-loved summer concert series has brought the Greater Trail community together for more than a decade.

Now marking **15 years as the signature sponsor, Kootenay Savings has supported Music in the Park since 2010**, helping to ensure that free, accessible live music remains a highlight of summer in Trail.

Produced by the Trail and District Arts Council, the by-donation series features weekly outdoor concerts showcasing a mix of local and touring musicians in a welcoming, inclusive setting for all ages.

“Kootenay Savings Music in the Park is a true celebration of community,” said Shelly Martin. “It brings people together, supports artists, and creates meaningful shared experiences. We’re proud to have supported this series for 15+ years and to continue working alongside the Trail and District Arts Council to keep it accessible for everyone.”

Included in the 2026 season are **two popular Night Markets**, now sponsored by **Kootenay Insurance Services**, taking place on **July 16 and August 13**. These special evenings combine live music with local artisans, food vendors, and community activities, creating vibrant, family-friendly events that also support the local economy.

Other special events included in the Kootenay Savings Music in the Park are the RemarkABILITY Festival, an evening of unique experiences to celebrate inclusion and diverse community, and Music in the Dark, a beach dance party.

Music in the Park begins **June 25** and runs weekly throughout the summer at **Gyro Park**. Full performance schedules and artist announcements will be released by the Trail and District Arts Council in the coming weeks.
